Local Educational Agency: Reimbursement Expanded for Select Providers

Effective immediately, three Local Educational Agency (LEA) provider types may be reimbursed for additional services. Credentialed school psychologists and credentialed school social workers may now be reimbursed for psychological and counseling services. Credentialed language, speech and hearing specialists may now be reimbursed – when under the supervision of a licensed speech pathologist or licensed audiologist – for speech, therapy and audiology services. *This information is reflected on provider manual pages loc edu 15, 17 and 19 (Part 2).*

UB-92 Claim Form: Two-Color Example Enhanced

The two-color *UB-92 Claim Form* example in the *UB-92 Completion: Outpatient Services* section of the provider manual has been updated. The actual *UB-92 Claim Form* used for claim submission has not changed, only the provider manual billing example. To assist providers in more effectively completing the form, the code 001 in red type has been added in Box 42 (*Revenue Code*) to indicate the total charge line. *This form enhancement is reflected on provider manual pages ub comp op 2, 12 and 13 (Part 2).*
